on rules:

In an attempt to get more ties played on time, there is no traditional 'challenger' so do not wait for the other player to contact you - contact them. The onus is on both players to get the tie played on time.

The top name in each tie has the right to choose the course to play the tie but you can decide that between you. The final should be played at a 'neutral' venue if possible.

If you are the reason for not being able to play the tie on time then you should offer a walk-over.

Shots will be determined by 100% difference between course adjusted handicaps on the day of the tie; rounded to the nearest whole number.

Unplayed ties after the deadline date will be decided by the toss of a coin. Extended deadlines are unfair on all other players in the competition - and the Hon Sec.

Honorary Match Secretary decision is final.

Phone numbers and emails of each player are available on www.edinburghacciesgolf.com
