Competition rules:

- 1 In an attempt to get more ties played on time, there is no traditional 'challenger' so do not wait for the other player to contact you - contact them. The onus is on both players to get the tie played on time.
- 2 The top name in each tie has the right to choose the course to play the tie but you can decide that between you. The final should be played at a 'neutral' venue if possible.
- 3 If you are the reason for not being able to play the tie on time then you should offer a walk-over.
- 4 Shots will be determined by 100% difference between course adjusted handicaps on the day of the tie; rounded to the nearest whole number.
- 5 Unplayed ties after the deadline date will be decided by the toss of a coin. Extended deadlines are unfair on all other players in the competition - and the Hon Sec.
- 6 Honorary Match Secretary decision is final.
